WHO MADE THIS POSSIBLE?

A generous donation from the Aspiring Kindness Foundation, a 501(c)(3) not-for-profit public corporation that was created in 2010 by high school friends of one of the victims of the Boland Hall fire — Aaron Karol — as a philanthropic tribute to him.

The AK Foundation raises money to support emergency responders and service providers and their programs as a tribute to Karol and the other young men who didn't make it out of the fire: Frank Caltabilota and John Giunta. To learn more about the foundation, visit www.aspiringkindness.org.
